

# IMPORTANT

## When running updates:

- Be Patient – install times are detailed below
- Stay on the Update Page
- Follow the instructions displayed on the Update Page
- DO NOT refresh or navigate away from the Update Page until instructed to do so
- Failure to follow these basic instructions can result in corrupted system files

## Blocked Units

To get your unit unblocked please Private Message, Email or WhatsApp me a screenshot or photo of your **System Update** page clearly showing your unit serial number:

## **DO NOT POST IMAGES DIRECTLY ON THE FACEBOOK GROUP**

as the last 4 digits of the serial number are your Master Password
